

PADDLE ON PLEASANT

and beyond with

PADDLESPO RTS AMERICA

Sunday, 23 January 2011
8 am–5 pm

A full day of fun, learning how to kayak safely and effectively presented by US Coast Guard Auxiliary and The Desert Outdoor Center at Lake Pleasant.

\$50 fee includes: all instruction, materials, Lake Pleasant Regional park entrance, use of life vests, paddles and access to a variety of kayaks.

Statistically, kayaking and canoeing are the most dangerous type of boating. Now, there is a course available to address the unique safety needs of paddlers. Paddlesports America is an exciting safety course designed for the novice paddle sport enthusiasts. The January 23 course is a collaboration with the U.S. Coast Guard Auxiliary, Maricopa County and Arizona Game and Fish Department focusing on the novice kayaker offering both classroom and calm water instruction. The classroom instruction in the morning will cover topics to prepare you for the afternoon on-the-water, such as:

- The parts and characteristics of canoes and kayaks
- Before You Go — the basics for predeparture
- Operating Your Boat Safely
- The Legal Requirements of Boating in Arizona and beyond
- Boating emergencies — What to do and minimizing the risk

Bring a bag lunch, personal water bottles and dress appropriately for on-the-water and outdoor activities. A picnic lunch on-site is suggested after the classroom instruction. The group will reconvene at the Desert Outdoor Center at Lake Pleasant for an afternoon on-the-water.
